

M. Adipati Rezky

AVAILABLE FOR NEW OPPORTUNITIES

Full-Stack Developer, PHP, React, Vue, Laravel, Next.js

Experienced Full-Stack Developer with 8+ years building backend engines and APIs for 50+ projects. Focused on scalable architecture, real-time systems (Go/gRPC), blockchain/web3, and intuitive frontends. Currently exploring AI integration for more personalized and efficient web products.

Indonesia / Remote and On-site

TECH STACK

BACKEND AND DATA

PHP Laravel CodeIgniter Go
Node.js Python / Flask MySQL
gRPC

FRONTEND

TypeScript JavaScript
React.js Next.js Vue
Nuxt.js Svelte jQuery

WEB3 AND TOOLING

Solidity Hardhat Drizzle ORM
Tailwind CSS Bootstrap Nginx
Linux

EDUCATION

STMIK Indonesia Banjarmasin

B.Sc., Informatics Engineering
GPA 3.40 / 2019-2023

AWARD

LINE Creative 2018 - Chatbot Competition

Student Category, Winner / Finalist, Oct 2018
National creative chatbot competition organized by LINE Indonesia.

BEYOND CODE

Passionate about solving complex problems, learning new technologies, and building products that make people's lives easier. Outside coding, enthusiastic about AI and performance optimization.

EXPERIENCE

Full-Stack Web Developer / CV. Ganesha Sukses

Mar 2025 - Mar 2026

AI-Powered Gym Application / Project-based collaboration

- Built end-to-end web app: **Next.js** (frontend), **Laravel** (backend), **Flask** (AI logic)
- Integrated AI features for personalized workout recommendations based on user data (OpenAI API)
- Implemented secure authentication and real-time progress tracking
- Collaborated with stakeholders to refine UX/UI for responsive design across devices
- Managed Linux-based cloud infrastructure and Nginx: provisioning, monitoring, performance optimization and high availability

Project-Based Web Developer / Mikashannn Coding

Nov 2023 - Jan 2025

Handled diverse client needs end-to-end:

- Developed new websites and web apps from scratch
- Fixed bugs and optimized existing websites
- Designed and implemented frontend for web apps

SELECTED PROJECTS

Ganesha Fitness - AI Personal Trainer

Fitness center website with AI personal trainer providing personalized workout recommendations. Live in production.

LARAVEL NEXT.JS TAILWIND CSS OPENAI API MYSQL
